**29th PHCC-SA Perry Beyer Jr.
Memorial Fishing Tournament**

MECHLER-BLASS ASSOCIATES

The PHCC Fishing tournament began as a company fishing event for Beyer Plumbing & Mechanical held at Woody's in Port Aransas in a tent out in the parking lot! Over the years, as the Beyer Boys continued to support the two local trade associations, the San Antonio Air Conditioning Contractors of America and the San Antonio chapter of the Plumbing, Heating, Cooling Contractors, this event eventually split to form two separate successful fishing tournaments for each Association today!

In 2021 the PHCC-SA Memorial tournament was renamed to recognize the many contributions to PHCC SA chapter and the fishing tournaments' initial beginnings to honor Perry Beyer Jr. and his passing from cancer in November 2020. This tournament will continue to honor all members of our plumbing family who have passed on, and the legacy they made on the industry in San Antonio.

A portion of the funds raised from this event will go toward three important causes: the [Beyer Cares Foundation](#), the [Scott A. Freund Foundation](#), and [Frontline Heroes Outdoors](#).

This year a portion of the funds will go to the PHCC-SA Building Fund, as well as the Plumbing Apprenticeship program to help with funding the program, scholarships & the annual apprenticeship contest! To date, the program has successfully graduated 78 through the 4-year program. PHCC-SA realizes we are helping to fill a great need in the PHC industry for quality, trained young professional individuals!

A majority of the funds raised from this fundraiser are budgeted for the daily operations of this local independently managed PHCC nonprofit chapter. **The profits are used and stay in San Antonio!**

THANK YOU for your continued support of PHCC and the industry! With your commitment, you can help us to **KEEP THIS CHAPTER SUCCESSFUL** in our goals to train & educate the industry for the protection of the environment, health, safety, and comfort of society as **PHCC has done since 1883 - the oldest trade association in America!** The PHC industry has such an important role and obligation to assist with training and workforce development.

We hope you can help with sponsorship support, participate in the event with family & employees, and plan to have a great time with your peers!

UNPRECEDENTED ACCURACY

The Staccato C2 has quickly redefined what's possible with a compact carry gun. From the retired special forces veteran shooting consistent 100-yard shots in sub 4 seconds to the everyday range shooter hitting 25-yard-targets with ease, the C2 provides accuracy never experienced in a compact carry gun. As durable and reliable as the Staccato P, the C2 has become popular among law enforcement. And because it helps you shoot better, it is an excellent choice for both everyday carry and home defense
